RWBAHC is pleased to announce a joint venture with the High Desert Clinic, a new Urgent Care Center less than one mile from the main gate of Ft. Huachuca. The High Desert Clinic will see up to twenty patients per day for non-emergent conditions requiring treatment within 24 hours.

**All patients presenting to the High Desert Clinic require pre-authorization from RWBAHC BEFORE going to this clinic. Please do not call the High Desert Clinic directly:**

During M-F call the RWBAHC appointment line at 533-9200. When there are no available urgent care appointments at RWBAHC, a triage nurse will evaluate and book into one of the High Desert Urgent Care slots.

On weekends, training holidays, and federal holidays:

- From 0800 - 1200 call the RWBAHC urgent care (WHAC) clinic at 533-9165.
- After the WHAC clinic closes at call the PCM on call at 533-2433
