

Raymond W. Bliss Army Health Center

RWBAHC has no Emergency Department **Dial 911 for Emergencies**

Canyon Vista Regional Health Center is located at 5700 East Highway 90. Emergency treatment is available at their emergency room 24 hours a day. TRICARE billing of acute or urgent conditions is based on whether a prudent person would go to an emergency room for treatment, or wait and see their PCM. Be advised to use the “Prudent Law” when the emergency room is utilized. That is, immediate medical attention is needed with a threat to life, limb, or sight; when a person has severe, painful symptoms requiring immediate attention to relieve suffering; or when a person is at immediate risk to self or others.

CAUTION: TRICARE Prime enrollees may incur out-of-pocket costs for inappropriate Emergency Room/Urgent Care use.
